PREPARATION OF PANINI

Remove panini and serving bag from plastic packaging. Place panini into preheated grill and heat for 4 minutes. Heat in a quick-heating oven for about 40 seconds at 200 oC (depending on the type of oven). Serve panini on plate or carefully insert panini into serving bag.

KEY ADVANTAGE - EXTENDED SHELF LIFE

Simplify your stock management and ordering procedures by having stock available for up to 12 months. No more out-of-stocks or lost sales! Your customers will appreciate the 25-days shelf life in their outlets - the ability to reduce their wastage and to improve their profitability.

1. Can be kept frozen for up to 12 months.
2. After defrosting, store in a cool, dry place up to +5 °C for up to 25 days.
3. Packed using a special protective foil with an anti-fog layer.

BORN TO BE
DELICIOUS

SANDWICH REVOLUTION

- ✓ Our state-of-the-art bakery and unique recipes make our bread fluffy and soft, without excess moisture.
- ✓ Highest-quality ingredients from certified suppliers with minimal amount of water and fat for delicious taste.
- ✓ Flash-freezing prevents the growth of microorganisms. When defrosted at +5 °C, the product is as fresh as on the day it was made.
- ✓ Our products are packed in protective atmosphere and into light-restricting packaging reducing any further chance of oxidation.

**SHELF LIFE - FROZEN 8 MONTHS,
AFTER DEFROSTING 25 DAYS FOR
SANDWICHES, 15 DAYS FOR BAGUETTES**

THE MAIN BENEFITS FOR YOU

**ALWAYS IN-STOCK, ON-HAND AND ON-TIME AS
REQUIRED - NO MORE LOST SALES DUE TO STOCK
SHORTAGES.**
